INDEPENDENT AUDITORS' REPORT

To

The Members of **GEECEE BUSINESS PRIVATE LIMITED**

Report on the audit of the Standalone financial statements

Opinion

We have audited the accompanying financial statements of **GEECEE BUSINESS PRIVATE LIMITED** ("the Company"), which comprise the balance sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** ('Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for year ended then ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the Standalone financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Standalone financial statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the

related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

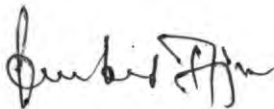

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss (including other comprehensive income), the Statement of changes in Equity and the Cash flow statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g) In our opinion and to the best of our information and according to the explanations given to us; the Company has not paid any remuneration to any director of the Company;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- a. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 26 to the Standalone Ind AS financial statements;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. There were no amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF GEECEE BUSINESS PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GeeCee Business Private Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

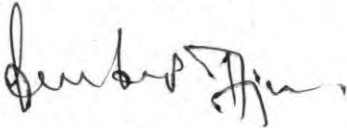

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on, the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2	<p>Significant Accounting Policies</p>						
(a)	<p>Statement of Compliance</p> <p>These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.</p>						
(b)	<p>Basis of Preparation and Presentation:</p> <p>Basis of Preparation</p> <p>The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:</p> <p>(i) Certain financial assets and liabilities, if any, measured at fair value (refer accounting policy regarding financial instruments)</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.</p> <p>Functional and Presentation Currency</p> <p>The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.</p> <p>Classification of Assets and Liabilities into Current/Non-Current</p> <p>The Company has ascertained its operating cycle as twelve months for the purpose of Current / Non-Current classification of its Assets and Liabilities</p> <p>For the purpose of Balance Sheet, an asset is classified as current if:</p> <p>(i) It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or</p> <p>(ii) It is held primarily for the purpose of trading; or</p> <p>(iii) It is expected to realise the asset within twelve months after the reporting period; or</p> <p>(iv) The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.</p> <p>All other assets are classified as non-current.</p> <p>Similarly, a liability is classified as current if:</p> <p>(i) It is expected to be settled in the normal operating cycle; or</p> <p>(ii) It is held primarily for the purpose of trading; or</p> <p>(iii) It is due to be settled within twelve months after the reporting period; or</p> <p>All other liabilities are classified as non-current</p>						
(c)	<p>Property, Plant and Equipment (PPE):</p> <p>Recognition and initial measurement</p> <p>Property, plant and equipment are stated at cost less accumulated depreciation/amortisation and impairment losses, if any.</p> <p>Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses.</p> <p>Borrowing costs relating to acquisition / construction / development of tangible assets, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.</p> <p>Subsequent measurement (depreciation and useful lives)</p> <p>Depreciation is provided from the date the assets are ready to be put to use, on as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013, except in case of Office Premises. The details are as follows</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">Depreciable Assets</th> <th style="text-align: center;">Useful Life</th> </tr> </thead> <tbody> <tr> <td>Office Premises*</td> <td style="text-align: center;">30</td> </tr> <tr> <td>Furniture and Fixtures</td> <td style="text-align: center;">10</td> </tr> </tbody> </table> <p>* Residual life of office Premises is taken as 30 years from 1st April, 2014 based on structural audit of office premises from structural engineer.</p>	Depreciable Assets	Useful Life	Office Premises*	30	Furniture and Fixtures	10
Depreciable Assets	Useful Life						
Office Premises*	30						
Furniture and Fixtures	10						
(d)	<p>Impairment of Assets:</p> <p>The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. An impairment loss recognised in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.</p>						
(e)	<p>Provisions, Contingent Liabilities and Contingent Assets:</p> <p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.</p> <p>If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.</p> <p>A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.</p>						

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES:

(f)	<p>Revenue Recognition: Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the amount can be reliably measured. Financial statements are prepared under historical cost convention on accrual basis in accordance with the requirements of the Companies Act, 2013. Brokerage on Mutual fund is recorded on receipt basis.</p> <p>Other Income</p> <ol style="list-style-type: none"> Dividend Income, if any, is accounted for when the right to receive the income is established. Difference between the sale price and carrying value of investment is recognised as profit or loss on sale / redemption on investment on trade date of transaction.
(g)	<p>Income Tax: Income Tax expenses comprise current tax and deferred tax charge or credit. Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws. Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement Profit and Loss. The Company has elected to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for the year ended 31 March 2021 and re-measured its Deferred Tax Asset & Liability based on the rate prescribed in the said section. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.</p>
(h)	<p>Earnings Per Share: The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.</p>
(i)	<p>Financial Instruments A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p>
A	<p>Financial assets</p> <p>Initial Recognition: Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.</p> <p>Subsequent measurement</p>
(j)	<p>Financial assets at amortised cost Financial assets are measured at the amortised cost, if both of the following criteria are met:</p> <ol style="list-style-type: none"> These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR (Effective Interest Rate) method. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.
(ii)	<p>Financial assets at fair value through other comprehensive income (FVTOCI) Financial assets are classified as FVTOCI if both of the following criteria are met:</p> <ol style="list-style-type: none"> These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Fair value movements are recognised in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the statement of profit and loss.
(iii)	<p>Financial assets at fair value through profit or loss (FVTPL) Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, are classified as at FVTPL. Gain or losses are recognised in the statement of profit and loss.</p> <p>De-recognition The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.</p> <p>Impairment of financial assets The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12-month ECL.</p>

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES:

B	<p>Financial liabilities</p> <p>Initial measurement Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and loans & borrowings.</p> <p>Subsequent measurement Financial liabilities are subsequently carried at amortized cost using the EIR method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments. Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized. Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction cost. The EIR amortization is included as finance costs in the statement of Profit and Loss.</p> <p>De-recognition A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.</p> <p>Fair value measurement The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole: Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities. Incase of mutual funds are valued using the closing NAV. Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p>
(k)	<p>Cash and cash equivalents Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management process.</p>
(l)	<p>Cash Flow Statement Cash flow are reported using Indirect method. The cash flow from Operating, Investing & Financing activities of the Company are segregated.</p>

3 Market risk

Market risk is the risk that changes in market prices – such as interest rates and commodity prices– will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including payables and debt. We are exposed to market risk primarily related interest rate risk. Thus, our exposure to market risk is a function of investing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure to these risks in our revenues and costs.

a Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Company do not have any long term external borrowing as on 31st March, 2021 as well as in 31st March, 2020.

b Currency risk

The Company's primary business activities are within India and does not have any exposure in foreign currency.

b Fair Value

The Fair Value of cash and cash equivalents, Trade receivable, other financial liabilities approximate their carrying amount largely due to the short-term nature of these instruments.

Investment in liquid and short-term mutual funds, which are classified as FVTPL are measured using net asset values at the reporting date multiplied by the quantity held.

c Fair value hierarchy

The following table presents the fair value hierarchy of assets measured at fair value basis,

(Rs in '000)

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

(a) Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

(b) Level 2: Level 2 hierarchy includes financial instruments that are not traded in an active market (for example, traded bonds/debentures, over the counter derivatives). The fair value in this hierarchy is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

(c) Level 3: If one or more of the significant Inputs is not based on observable market data, the instrument is included in level 3. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.

c Inter level transfers:

There are no transfers between levels 1 and 2 as also between levels 2 and 3 during the year.

d Valuation technique used to determine fair value

Closing NAV Statement from Mutual fund is used to determine fair value of unquoted Mutual Fund.

COVID - 19 pandemic has caused serious disruption on the global economic and business environment. The Company has considered the possible impacts on the carrying value of assets. The Company, as at the date of these financial statements has used internal and external sources of information to assess the expected future performance of the Company. The Company has also performed a sensitivity analysis on the assumptions used and based on the current estimates, the Company expects that the carrying amount of these assets reported in the balance sheet as at 31 March 2021 are fully recoverable. The Company has also estimated the future cash flows with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

30 Recent pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

A Balance Sheet

- 1 Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- 2 Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- 3 Specified format for disclosure of shareholding of promoters.
- 4 Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- 5 If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- 6 Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

B Statement of profit and loss

- 1 Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

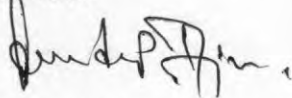

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

31 There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the Balance sheet date.

32 Previous Year's figures have been regrouped / rearranged, wherever necessary.
