

INDEPENDENT AUDITOR'S REPORT

To the Partners of

Geecee Comtrade LLP

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **GEECEE COMTRADE LLP** ("the LLP"), which comprise the Balance Sheet at March 31, 2023, and the Statement of Profit and Loss, for the year then ended, Cash flows Statement and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of financial position of LLP as at March 31, 2023, and of its financial performance and its cash flow for the year then ended in accordance with the Accounting Standard issued by the Institute of Chartered Accountants of India (ICAI)

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the LLP in accordance with the ethical requirements that are relevant to our audit of the financial statements in India, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Designated Partners for the Financial Statements

Designated partners are responsible for the preparation of the financial statements in accordance with the aforesaid Accounting Standards, and in accordance with the accounting principles generally accepted in India, and for such internal control as designated partners determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, designated partners are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless designated partners either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Designated partners are responsible for overseeing the LLP's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the LLP's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the LLP's Designated partners.
- Conclude on the appropriateness of the LLP's Designated partners use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the LLP's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the LLP to cease to continue as a going concern.

We communicate with the LLP's Designated partners regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GEECEE COMTRADE LLP

12 SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

A SIGNIFICANT ACCOUNTING POLICIES

a LLP Information

Geecee Comtrade LLP (the 'LLP') is a limited liability partnership incorporated under the Limited Liability Partnership Act, 2008 of India. The LLP is a partnership between Geecee Ventures Ltd and Geecee Business Private Ltd.

b Basis of Accounting

The Financial Statements of Geecee Comtrade LLP ('the LLP') have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) and comply in all material aspects with the Accounting Standards issued by The Institute of Chartered Accountants of India (ICAI).

Financial Statements are prepared under historical cost convention on accrual basis .

c Use of estimates

The preparation of Financial Statements in conformity with Indian GAAP requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, as at the date of year end. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the year in which the estimates are revised and in any future year affected.

d Provisions and contingent liabilities

Provisions are recognised when the LLP has a present legal or constructive obligation as a result of past events. It is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the LLP or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

e Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

f Inventories

Inventories comprises of physical stock of commodities such as silver, gold, aluminium etc. & is valued at net realisable value. Net realizable value (NRV) is the value of an asset that can be realized upon its sale, minus a reasonable estimate of the costs associated with the eventual sale or disposal of the asset.

g Future Contracts (Derivative Financial Instrument)

The LLP uses derivative financial instruments (silver contracts) for speculation purpose. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss.

h Taxation

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

i) Current tax is determined on the amount of tax payable to the taxation authorities in respect of taxable income for the period.

ii) Deferred tax is recognised, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets, representing unabsorbed depreciation or carried forward losses are recognised, if and only if there is virtual certainty supported by convincing evidence that there will be adequate future taxable income against which such deferred tax assets can be realised.
